To ensure we have the most updated contact information for your organization, please complete this brief [survey](#).

Additionally, please take a moment to ensure you can access to the [Public Safety Partner Portal](#) that will be updated during a PSPS event.

If you need additional information, please reach out to SDGELiaisonOfficerNotifications@sdge.com or 858-503-5450, or Emergency Management at eseodsdge@sdge.com or 858-503-5173.
